

ART

East London schools' art
exhibition exploring the
power of art and creativity
across the curriculum.

MATTERS LONDON

About the Exhibition

- 20 year long collaboration between schools, colleges and universities
- Opportunities for students from nursery to sixth form to exhibit in a gallery setting
- Involves a growing community of over 50 schools including 2000 students
- Fully inclusive

What is the value of the exhibition?

- Raises subject profile
- Engages teachers in subject specific CPD
- Promotes collaborative work
- Develops understanding about transition
- Local celebration of creative work

Impact

Primary, Secondary & University outreach

- Visitor numbers
- Influence on schools work
- Evidence of cross-curricular work
- Extra curricular opportunities for young people
- Visiting & working with a University
- Feedback

Date	Name	Address

10.7.2018	Samirah	Fascinating paintings.
		Thank you for the opportunity
		We can't wait for next year SD
10.7.18	P. Grattan	Eleanor Smith School
		The best ever
		better than better
		Good work.
11.07.18	M. COKER	SUPERB, GREAT WORK
		IN A GREAT EXHIBITION
		BY A FINE ARTIST TAKE NOTE!
11.7.18	P. Grattan	Fabulous
	Eleanor Smith	Excellent
		Grow

How does it work?

- Funding
- Art Networks
- Co-ordination & planning
- School commitments
- University commitments
- Subject leaders time

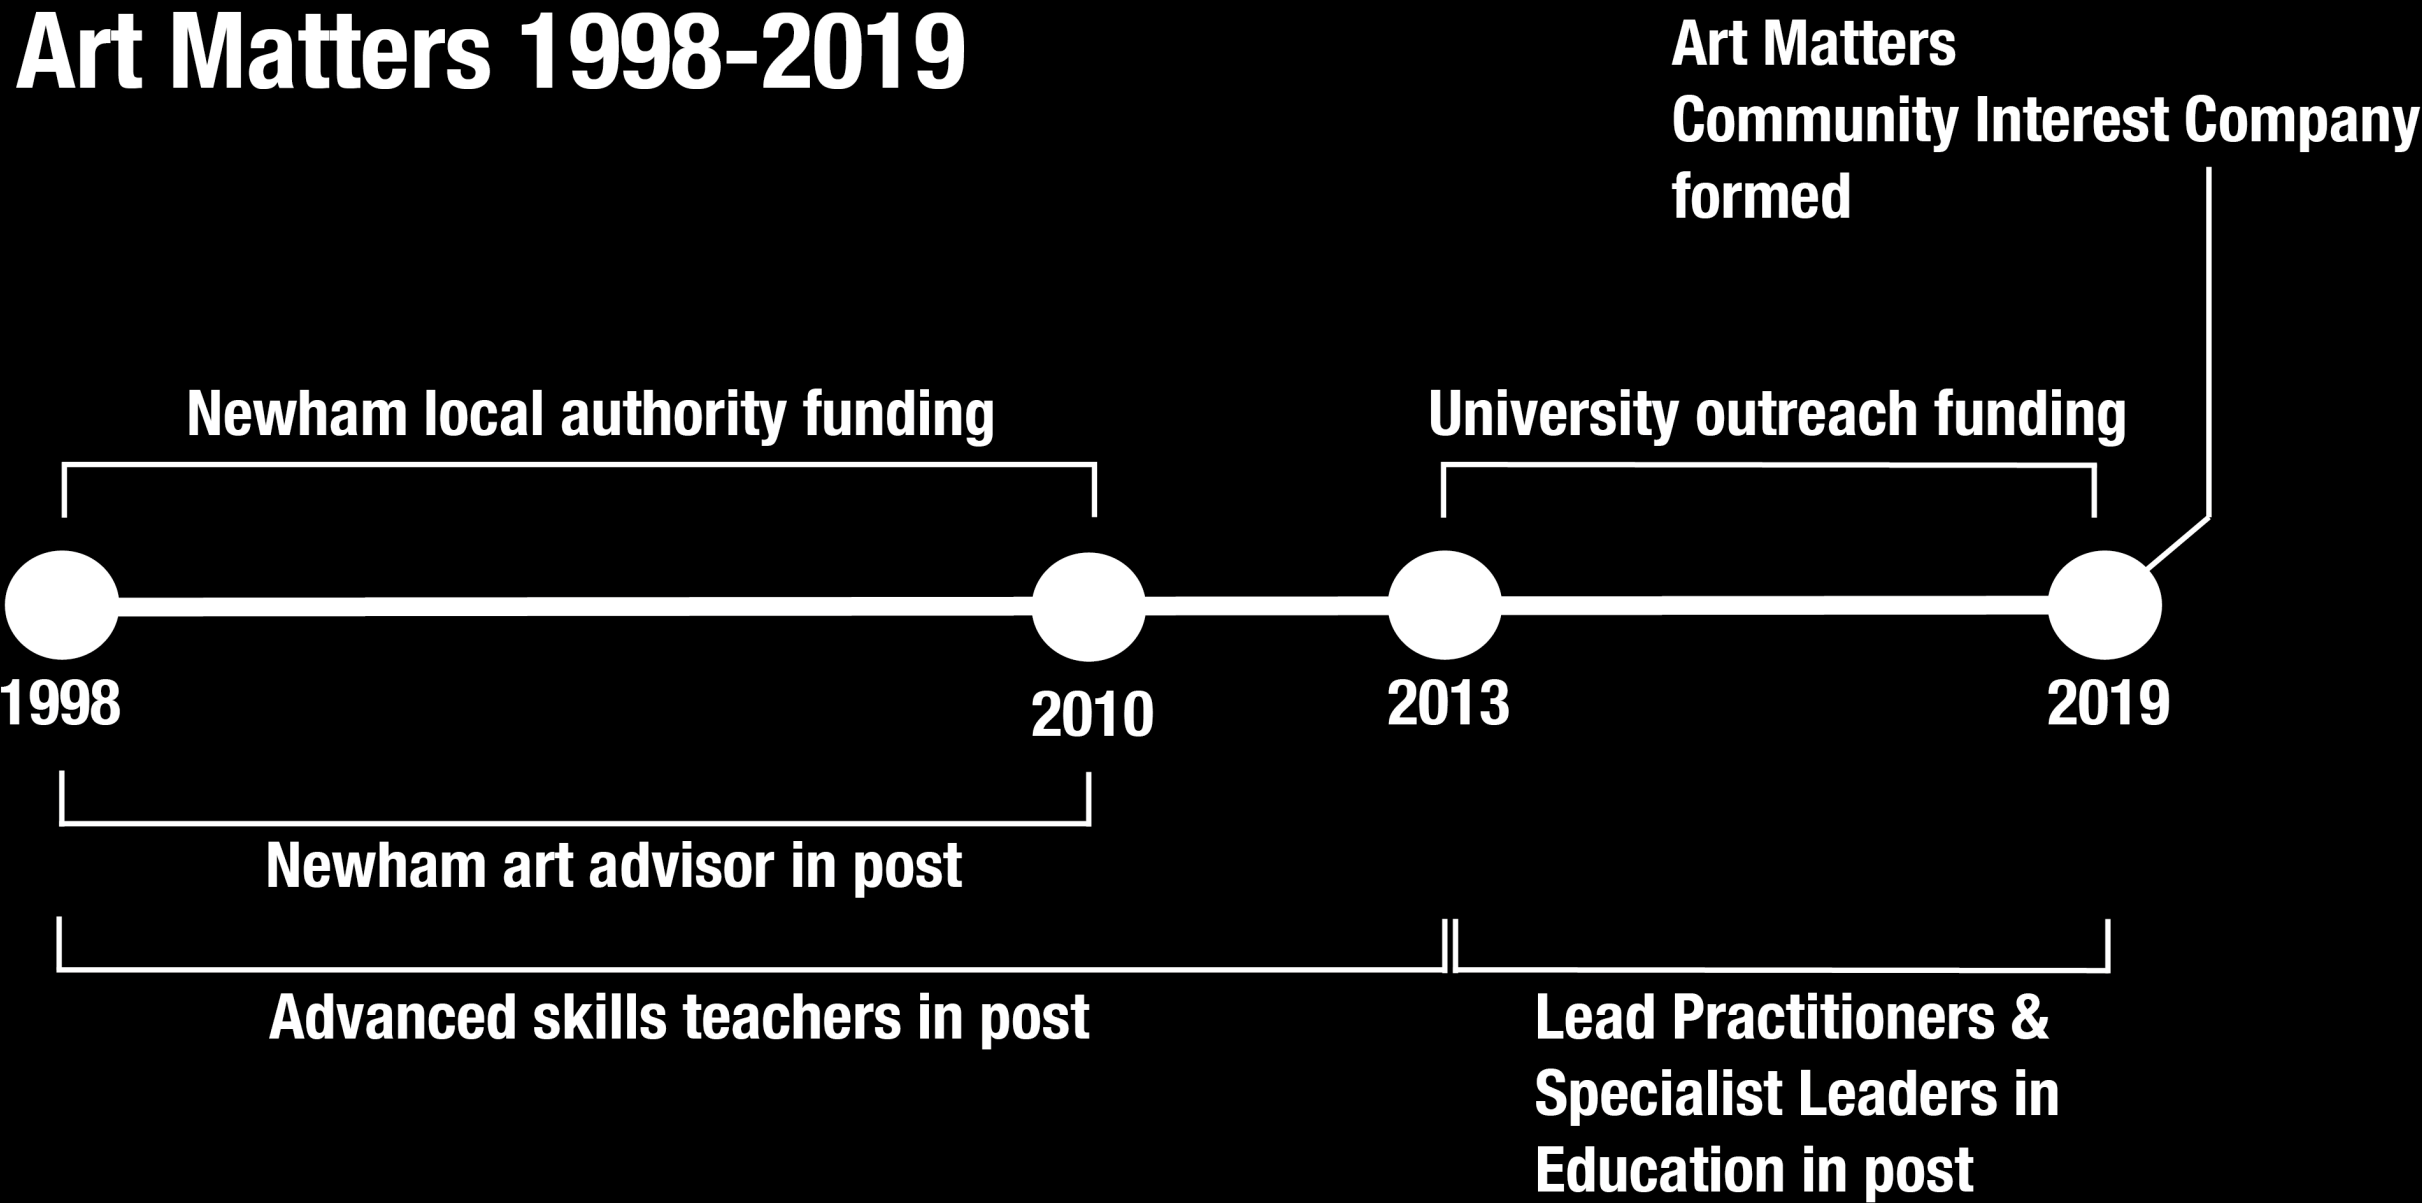

Challenges

- **Commitment from schools for subject leader CPD**
- **School funding to support student attendance**
- **Lack of local structures that could support the continuation of the exhibition**
- **Changes to university structures**
- **Lack of secure funding sources**
