

## **NSEAD Review of subscriptions 2021**

Our last increase in subscriptions was 2018-19 when we committed to maintain our present rates for 2 years (I believe this was the case, but the minutes of the AGM do not record this). I would therefore like to recommend that we put before the AGM a modest increase in subscriptions to cover increasing costs. We have made improvements to membership with new website facilities and operate across a number of social media sites. Union requests for assistance have increased and as you are aware, we joined the TUC (for which we must pay £2 per member).

Below I list some comparisons for both teaching unions and professional associations. You will see that we represent excellent value as full members get both for approximately the same as union cover.

### Current subscriptions for other teaching unions(July 2020)

NEU standard £186.66 plus 5-15% local subs @10% that equals £205.32

Leadership £214 plus 10% equals £235.40

NAS/UWT £192.40 (NQT £96.20 each year for the first 2 years)

VOICE £206 (2019 figure)

NAHT ass head £234 (assistant head)

**NSEAD £188 (NQT £94) with 5% £197.40 (NQT £98.70)**

### Subscriptions for other subject associations

Mathematics Association £96 with 2 Journals

Geographical Association £107 with 2 journals

DATA £85

**NSEAD £103 with 2 journals £108.15 primary £52 £54.60**

### School/ College subscription

**NSEAD Art and Design Dept £217 £227.85 primary £68 £71.40**

Data £225 (390 for 2 years) Primary £90 (£150 for 2 years)

Geographical Association £193 with 2 journals

Mathematics Association £148 primary £57

**A 5% increase would be £9.40 for full union members making £197.40 and £108.15 for professional association. Collegiate £227.85. Primary collegiate £71.40. Associate primary £54.60. NQT £98.70. Student £30 (leave at this price).**

**John Childs (Hon. Treasurer)**
